Idaho's Statewide SBIR Conference

From Innovation to Market!

Ready..Set..Go!

Ready: Attend a regional workshop in Moscow on **September 23rd** at the **University of Idaho Business Technology Incubator, 121 West Sweet Ave., from 10 am to 2 pm (lunch provided)** to learn the basics of SBIR, if SBIR is right for your business, and how to search for the grant topic that will meet your business objectives.

Set: Attend the Idaho Statewide SBIR Conference on **October 28th and 29th** in Boise.

- Learn grant writing techniques, begin the grant writing process and significantly improve your chances of winning a grant award.
- Meet program managers from federal agencies that have SBIR programs.
- Learn what is needed for a successful SBIR Phase I and Phase II application.

Go: After the conference, work with your local economic development specialist or TechConnect or SBDC representative who will coach you through the proposal process.
