Chair Sharon Stoll called the meeting to order. The minutes of the September 22, 2011 meeting were approved.

Chair Stoll reported that there was no answer from Registrar Nancy Krogh on the 14 credit requirement, but that she has promised we will have the solution by next week.

The committee engaged in conversation regarding the call for proposals and draft rubric for the diversity requirement. The dialogue led to some editorial changes which Beth Price will address.

Discussion followed about three additional course proposals covering the capstone requirement, the integrated sciences courses, and the international course. With some editorial changes all were approved by the committee.

Still needed is a list of example diversity courses from Dean Kathy Aiken, as well as the Deans' recommitment to support the diversity and great issues course requirements.

Chair Stoll will meet with Charles Tibbals to get a package of materials ready to go to UCC.

The next meeting will be next week, October 6, in the 4th Floor Library Conference Room. Chair Stoll will be gone on 10/13, so Beth Price will chair the meet in the Chiefs Room on that date.

Meeting adjourned at 4:30 p.m.
