I understand that academic records of work I undertake at my host institution will be sent to my home institution.

I agree to discuss my study abroad plan with my academic advisor, including the courses I plan to take overseas and how they will apply to my academic program at the University of Idaho.

I agree to notify the University of Idaho's study abroad coordinator in writing and my academic advisor immediately if I no longer want to be considered for placement. If I accept placement, I agree that:

- I will take part in all aspects of the program.
- I will pay all program fees and will purchase insurance coverage.
- If I withdraw from the program anytime after accepting placement, I may still be obligated to pay the full program fee. If I withdraw from the program after taking up placement, I will prepay any money advanced to me by the University of Idaho to cover benefits after the date of my withdrawal.
- My placement may be terminated early by the University of Idaho if I fail to remain enrolled full-time at my host institution, fail to maintain minimum academic standards as defined by my home or host institution, or am found to be in violation of the laws or regulations of my host country or institution. I understand that such terminations carry the same financial obligations as withdrawals.
- I will have the status of a non-degree student at my host institution unless I have applied for and have been admitted to a degree program.
- My placement will be limited to the period for which I have been originally accepted. An extension can be granted only on written approval from my home and host institutions.

I agree that any legal proceeding instituted or arising pursuant to this Agreement shall be in the courts of the County of Latah, state of Idaho, and I agree to submit to the jurisdiction of such courts. I further agree that this Agreement shall be governed by the laws of the State of Idaho.
