

**ENCLOSURE 2
ACCOMMODATION REGISTRATION FORM
FOR THE ACADEMIC YEAR 2006-2007**

If you do not want to book accommodation, please answer the first question (tick no) and return the form.

If you want to book accommodation through The Hague University, please read the information chapter on accommodation (in the "Guide for exchange students") before completing this form. Please note that all requests that come in after the stated deadline will be dealt with on a "first-come, first-served" basis. The Hague University will not make any definite reservation for accommodation before it has received your payment or written proof of that payment. The sum due is EUR 850 and EUR 250 deposit. So in total you have to pay EUR 1100 in advance for housing. In accommodation matters The Hague University acts as an intermediary. The allocation and management of accommodation is handled by DUWO, an independent housing corporation.

I wish to apply for accommodation through The Hague University* **NO**; I will find my own accommodation
 YES (fill in the rest of the box)

Please note that you commit yourself to accept the room for the whole duration of your stay in The Hague As selected in your registration form. Changing rooms upon arrival is not an option. Also note that certain house rules (beside those of common decency) can apply.

I am WILLING, NOT WILLING to share a room with someone else.

Please note that The Hague University cannot cater for the needs of families, couples, children, etc.

I am WILLING, NOT WILLING to share communal facilities (kitchen, bathroom, laundry, etc.).

Please note that very few rooms with their own facilities are available, and that these are more expensive.

Are there any special factors such as religion, health or diet, which you feel that The Hague University/DUWO should consider when advising you on accommodation?

Please note that facilities such as telephone, microwaves/ovens, pressure-cookers, dishwashers, washing machines, tumble-dryers, baths, whirlpools, TV-sets, stereos and other luxury items are not standard in student accommodation in Holland. Should these facilities be in a room provided by DUWO, then this is pure chance. The Hague University/DUWO will not consider any requests for these facilities should they be absent nor does the fact that an item appears in some of the accommodation warrant such a request.

The Hague University's commitment:

The Hague University will endeavour to meet your wishes as far as possible, but the institute is dependent for its accommodation service on DUWO. We cannot guarantee that we can always provide accommodation. The Hague University/DUWO is unable to arrange family/couple accommodation or to provide accommodation for those wishing to bring children with them, although it is willing to assist where possible.

I have read the information and I accept that it may not be possible for The Hague University/DUWO to honour all my wishes. I accept that it is not possible to view the accommodation beforehand and that I commit myself to accepting the accommodation for the whole period I have selected above. Cancellation of accommodation is not possible as soon as the form is signed.
